

Garfield

Formerly known as Custard

GARFIELD was an FIV+ve stray who was taken to a well-known animal charity. He was about to be PTS because of his FIV status. This was not necessary, he is still very healthy and enjoying life.

Macy

MACY is a beautiful little black cat who came into 9 Lives care with her son Zach, born June 2003. Both are FIV+ve but this is no handicap to their quality of life. They are happily living in their 9 Lives home where their carer loves them to bits.

Popcorn

POPCORN is a ginger and white friendly boy who was due to be killed by a well-known animal charity because he is FIV positive. Popcorn was a stray, and he has lost one of his eyes. His age is not known but he appears to be a young adult.
